The screenshot shows a patent document viewer interface. At the top, there are navigation buttons: "US Global Dossier", "Espacenet", "全図面表示" (highlighted with a red box), "ファイル出力", and "ダウンロード". Below these are page numbers 1 through 10, with "次へ>" (Next) highlighted in a red box. A blue arrow points from the "全図面表示" button to the drawing thumbnails, with the text "連動して表示" (Display in sync). A speech bubble contains the text "図を横並びに変更" (Change drawings to side-by-side). The main content area is divided into two columns. The left column contains the document title and abstract in both English and Chinese. The right column displays a grid of drawing thumbnails, each with a unique ID. The thumbnails include various views of a component, such as perspective, top, and cross-sectional views.
